---	---------	-------------------------

Charter Improvement Fee – CIF – Passenger charters with capacity greater than 19 seats	\$25.00	per enplaning passenger
---	---------	-------------------------

- Any passenger-carrying air operation in an aircraft with 19 or more seats (as per factory specifications) will be considered a passenger charter.
- Aircraft owners are required to report passenger statistics by the 7th day of the following calendar month. Failure to provide information in this timely manner will result in a charge of full seating capacity of the aircraft model.
- Northwest Regional Airport Terrace-Kitimat lease hold tenants may make prior arrangements with the Airport Manager for touch and go landing fees, conditional on all company landings of jet and turbine aircraft being reported monthly on the airport's *Commercial Aircraft Fees Record* no later than the 7th day of the following month.
- The Airport Manager is equipped with tools to assist in the facilitation of additional scheduled air service development to new destinations.
- Unscreened operations – must contact the Airport Manager for assigned procedures.
